

# Friendship in Networking Durham

## Attention Enterprising Ladies!

### FIND (Friendship In Networking Durham) Needs You!!!

Friendship In Networking Durham is a local resource connecting County Durham's female entrepreneurs via developing friendships, growing business contacts, opportunities and participating in networking events – **FIND** is here to help local women reach their full potential in business. **FIND** forms part of the Women Into The Network bustling enterprising women's portal and is an excellent means of accessing business information, education, support and guidance - crucial in developing and sustaining business success.

**FIND** started with a small group of women reaching out and helping each other, sharing business advice, encouragement, information and ideas for success and now boasts over 90 members, all of whom are based in and around County Durham.

**FIND** is a successful membership-based organisation that encourages women to reach their full potential in business, there is no fee to join, members are just requested to participate and contribute whatever they can to meetings and events. **FIND** runs regular networking events which are varied and range from listening to professional industry speakers, to informative structured workshops & seminars, or can be organised by members to promote their own products & services. **FIND** has a strong team spirit and has a popular forum website encouraging an interactive approach to networking & self promotion.

By becoming a member of **FIND** you will gain instant access to a great network of like minded business and personal contacts and an environment that is supportive of your business and personal goals. **FIND** is fast establishing itself as a leading resource for North East women in business.

If you are intested in becoming a member of **FIND** please complete your details below and return this form to a member of the team and Maureen Storey will contact you with the relevant information.

I AM INTERESTED IN BECOMING A MEMBER OF FIND.
